Dear Sirs,

Open Joint Stock Company "Holding management company "Bobruiskagromash" is one of the leading Belarusian manufacturers of modern agricultural machinery in the CIS and foreign countries. Our range of products include over 70 kinds of machinery for application of fertilizers, for preparation, storage and distribution of forages, for cleaning of flax, trailers, machinery for feed preparation and distribution.

Today we'd like to offer you wide range of agricultural machinery that can be interesting for your market. Please notice that all the machinery is aggregated for tractors of the various classes of the Belarusian plant "Minsk Tractor Works".

We are ready to offer you favorable conditions of work using different variants of payment – letters of credit, deferment of payment, including export support through leasing schemes, export financing Development Bank of the Republic of Belarus.

We are pleased to offer you cooperation and to give you a full spectrum of services in manufacture and sales of our agricultural machinery. Our experts are ready to organize training of your company technical and no technical personnel and to perform any sales and marketing related support connected with sales and promotion of the production.

Please find attached our catalogue and price-list from where you can have more idea about our company and product range. Further as discussed let me know your requirement so that I can submit and discuss my pricing and discounts to you.

Thanking you, and looking forward to hear from you soon with interest

Aliaksander Eremeev
CEO
